

REVIEW CONFIRMATION CERTIFICATE

We are pleased to confirm that

Jasur Tursunqulov

has reviewed the paper “Synthesis, Characterization, and
Redox-Responsive Novel Molecular Switching Behavior of Novel Copper
(II)–Viologen Adduct Complexes” for

Applied Chemical Engineering ISSN:2578-2010 (Online)

We are sincerely grateful to scholars who give their
time to peer-review articles submitted to Academic
journals. Rigorous peer-review is the corner-stone of
high quality academic publishing.
